of 20

In compliance with the provisions of the Personal Data Protection Law passed on 13 December 1999, you are hereby informed that the data obtained on this form will be held in the "Estudiants de postgrau" file for which the UIB is responsible, the purpose of which is the administrative and academic management of students enrolled in postgraduate courses at the University of the Balearic Islands. The data collected are necessary for the aforementioned purpose, which cannot be fulfilled without them.

- Do you authorise the UIB to disclose your name, address, telephone numbers, e-mail and study data to companies and organisations who request such data for academic or work purposes, authorisation which you can revoke at any time? Yes
- After finishing your studies, and during the next five years, do you authorise the UIB to disclose your name, address, telephone numbers, e-mail and qualification data to companies and organisations who request such data for academic or work purposes, authorisation which you can revoke at any time? Yes

The UIB is responsible for processing the data and guarantees your rights of access, rectification, erasure or objection regarding the data provided. In order to exercise these rights you must address your request in writing to: Universitat de les Illes Balears, Secretaria General, to the attention of the data protection officer, c/ra. de Valldemossa, km 7,5, 07122 Palma (Illes Balears). Equally, the UIB ensures that your data will be treated confidentially and will be used only for the aforementioned purpose.

* Course pending approval by Government Council
